Dear Volvo Sports America National Meet attendee,

Thank you for your interest in sailing with us! We look forward to the opportunity to serve your group. We will offer a special discount to those who sail aboard the S.S. Badger between August 15th and August 31st, 2014. Listed below are guidelines to expedite your group's reservations, ticketing, and discount qualifications:

- Your group code is **“VOLVO.”** When making reservations, changes, calling with questions, and claiming tickets, each individual must reference this code for discounted passenger fares.
- Reservations can be made together or individually through our main reservation system at **1-800-841-4243**.
- Your group members will receive a 20% discount off the current regular passenger fares at the time of booking. The current vehicle fares and security fee will apply. Those traveling on a red-eye sailing will receive an additional 10% off per auto. This special group rate cannot be combined with any other coupons or discounts.
- Sailing reservations must be made at least two days in advance of your departure and are subject to availability. **Discounted fares will not be extended to any individuals that have not reserved ahead or to those who do not reference the group code above.**

We look forward to your group's arrival and welcome you aboard the S.S. Badger!
